

# Oil and Gas Consultants

**Oil and Gas Consultants** has been on a consistent excellence journey for 11 years.

**We deliver the knowledge you need for successful oil and gas contracting practice:**

- Contract Negotiations courses
- Contract Terms and Conditions courses
- Contract Management courses
- Contract review and drafting services
- Contractual Risk Allocation policies and procedures
- Bid review services

People choose us because of our pragmatism – any training must contain practical take-aways to transform their organization's contracting practice and, as a result, save millions of dollars and hundreds of hours a year.
